Meeting notes for Lane Plating

Discussion of the 11-13-18 public meeting

This is a list of the action items from my notes.

Plan on attending a community leader, groups meeting.

- Shape the community advisory group
- Talk about the TAG
- Show sampling plan and get comments.
- Identify people we need to coordinate with.

Drive the community to become familiar with landmarks.

Contact county health dept to discuss blood lead monitoring.

Send Vince and Brenda the CSMTM

Contact Mr. Lane to ask about stacks, other discharges, and about placing a Superfund Site sign.

Review CSM and sampling plan, consider the following

- Transects and direct push for GW
- XRF field screening
- Incremental sampling

Add site documents to repository at Library.

Notify EJ and get moderator assistance from HQ.

Get Jannetta's assistance with the TAG
